Revolutionising Reading in the Digital Age

## LexisNexis® LexRead™

LexisNexis® LexRead™ is the future of reading in the digital age.

Accessing and reading professional content has never been easier and more convenient on this cross-platform eBook reader.

With modern digital reader features, LexisNexis® LexRead™ allows you to browse, read, or download an eBook at anytime and from anywhere.

Not only can you personalise your reading experience by creating notes, adding highlights, and bookmarking pages, you can also share them by downloading, copying, or printing content directly from the Reader.

## 5 Reasons Why We Love LexisNexis® LexRead™

### 1. Library On-The-Go

Be assured that you are referring to authoritative and up-to-date content when crafting your advice with a digital library at your fingertips.

### 2. Personalised Reading Experience

Save annotations, notes, bookmarks, and highlights to your own user account and bring them with you.

Zoom in or out to size the pages to your preference, easily access eBooks by practice area, or alphabetically to your liking.

### 3. Free Up Space

LexisNexis® LexRead™ gives libraries the opportunity to expand collections at a lower cost without additional shelf space requirements and without the usual asset management worries attached in managing a physical library.

### 4. \$ave More

No more wear and tear on physical books means books last longer without needing replacement.

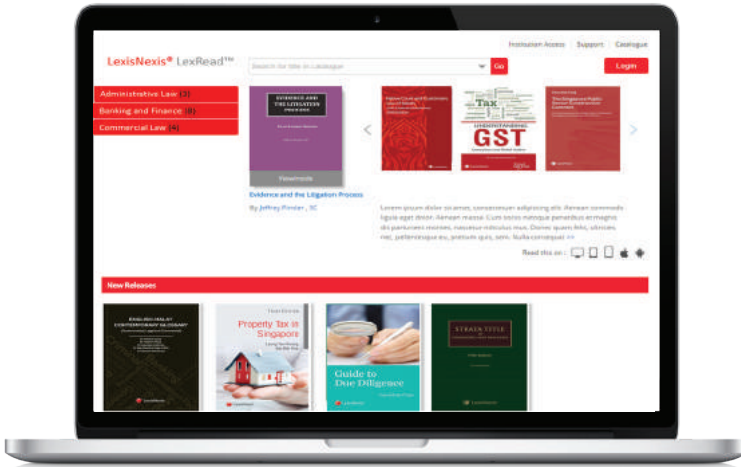

### 5. Match-Made in Heaven

LexisNexis® LexRead™ works with major platforms and does not require a specific device to read eBooks.

Each account allows access across three platforms: Desktop (PC/ Mac), iOS and Android mobile apps.

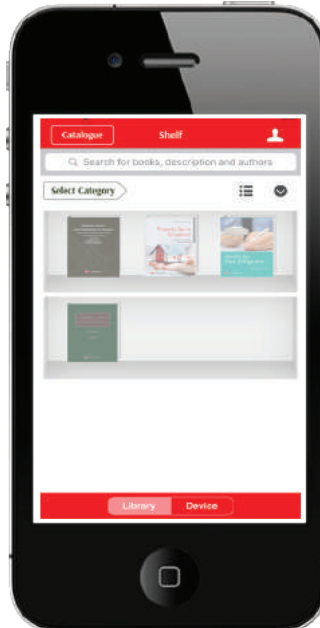

## LexisNexis® LexRead™ is More Than Just a Reading App!

Introducing the enhanced functionality and features of LexisNexis® LexRead™:

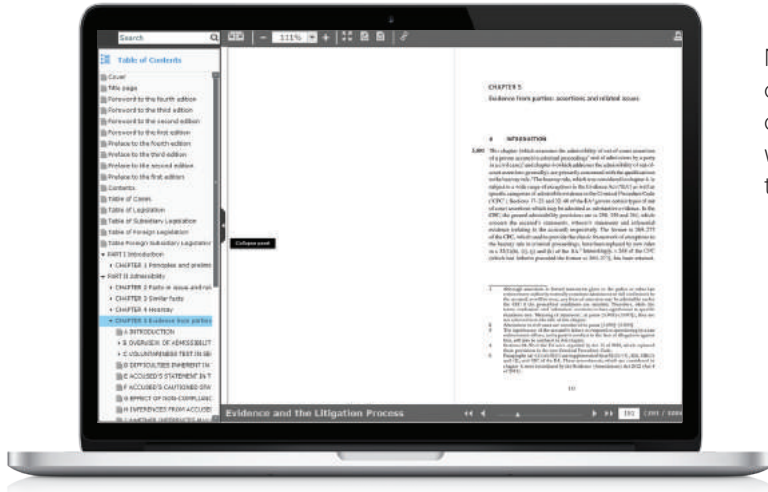

Quickly download, save, and read full eBook texts online and offline across Desktop (PC / Mac), iOS, or Android devices.

Host hundreds of eBooks in a single device and save on physical space requirements.

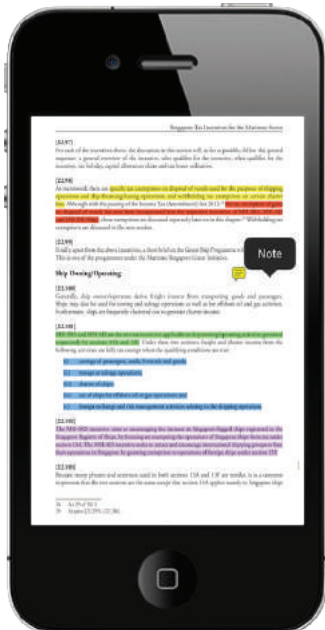

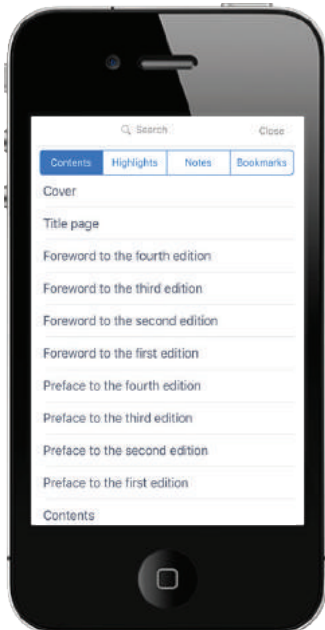

Receive your eBooks fast. No more waiting for the delivery of physical books.

# User-friendly interface and experience

Navigate to the content you need quickly and easily with an interactive table of contents.

Save annotations, notes, bookmarks, and highlights to your own user account.

## Established Professional Content

LexisNexis® LexRead™ currently offers a selection of 150 established and up-to-date eBook titles across Singapore and Malaysia, with many more to come.
